## Training Ahead Testimonials

“Training Ahead Australia’s initial analysis of our training needs, followed by the professional delivery thereof, has aided NUGROUP group of companies fulfil our statutory obligations and to remain at the cutting edge of the rail sector.”

**Paul Cassie, NUGROUP**

“I found the Microsoft Office and MYOB training conducted by Training Ahead Australia to be exactly what I required; it was thorough, and was applied with the right level of context to deepen my understanding and meet the objectives of each course. The team are lovely, approachable, honest, and deliver training with the highest level of professionalism.”

**Cassandra Sampson, Thiess**

“Working with Training Ahead Australia has been phenomenal. What they have delivered to my organisation has been nothing short of exceptional. We have seen a direct correlation between recent growth and success in sales, productivity and in culture from the training and influence of TAA.”

**Bernard Fernandez, Agero Group**

“Dealing with Dannielle has been an absolute pleasure the whole way through. Its rare you come across someone as genuine and has as much integrity in business like Dannielle. I would highly recommend Dannielle to anyone looking at working with her and her organization as she will always have your best interest at heart.”

**Nidal Rasheed, Silvertail Property Group**

“I’ve contacted Dannielle at Training Ahead Australia several times to provide training for clients with fantastic results. We’ve found that companies we have worked with have had the latest of technologies only to end up hindered by being unfamiliar with their products.”

**Andrew Baillie, IT Consultant**
